

Canyon Creek Volunteer Work Day

A riparian restoration project

Volunteers Needed Sat. August 21st

Come and help remove an elk enclosure and install cattle fencing along the creek. After continued monitoring it is believed that sufficient recovery has occurred to merit the removal of the upper enclosure. Work will be a continuation of June 12th, 2010 and include removing elk fencing along the upper enclosure and installing cattle fencing in its place.

WHEN: Saturday, August 21st. Meet at Canyon Creek OW Ranch bridge at 8:00AM

CONTACT: Dana Warnecke

Arizona Game & Fish Dept., Region VI
7200 E. University Ave., Mesa, AZ, 85207

480-324-3547 or dwarnecke@azgfd.gov

or Tyler Raspiller at 480-324-3549 or traspiller@azgfd.gov

RECOMMENDED GEAR: Long pants, long sleeve shirts (or layers), work gloves, hiking or outdoor boots, protective eyewear, hats, plenty of water, lunch, and snacks are strongly recommended. Waders would be helpful if you have them.

DIRECTIONS: Take SR 260 east from Payson up onto the Rim, to the Jct. with FS 512 (road to Young). Go right and drive south on FS 512 approximately 3 miles to the Canyon Creek turnoff and turn east (left) on FS 33. Proceed east on FS 33 to the Jct. with FS 34 (Valentine Canyon & OW Ranch) and turn right. Proceed down into Valentine Canyon to the Jct. with FS 188, stay to the left on FS 188 and proceed to Canyon Creek. Drive north until you reach the OW Ranch bridge. We will meet in the small parking area just before the bridge.

TOOLS WILL BE PROVIDED
